

### About **JNTUK, Kakinada**

Jawaharlal Nehru Technological University Kakinada (JNTUK) was initially incepted with the name "The College of Engineering – Vizagapatnam" in 1946. The university grew out of that college and now spread across 110 acres of a sprawling campus in port city of Kakinada. The college became a constituent unit of JNTU Hyderabad in 1972. Subject to the bifurcation of JNTU, it was notified as JNTUK by the act of legislature in 2008 as separate university. JNTUK has two constituent colleges under its fold: University College of Engineering (autonomous) Kakinada and University College of Engineering Vizianagaram. The university has more than 300 affiliated colleges under the jurisdiction of 8 districts.

### About **GVP College of Engineering (Autonomous)**

Gayatri Vidya Parishad College of Engineering(Autonomous) has been started in the year 1996 by the parent organization Gayatri Vidya Parishad (GVP), an educational trust by a group of eminent educationists, academicians & industrialists to empower the young generation through high quality technical education. The institute has flourished in various facets of research & academics by achieving the pinnacle of success in the state of Andhra Pradesh. The college now functions with 7 different branches in B.Tech and 14 PG programs. GVP College of Engineering (A) has been accredited by NAAC with 'A' grade with CGPA of 3.47/4.00 in the year 2009 and reaccredited second time in the year 2016 with the same CGPA on the same scale. All it's Under Graduate programs are accredited by NBA atleast twice. The institute was granted autonomous status by UGC and was conferred by the affiliating university JNTUK, Kakinada in the year 2008 and is extended for second term by UGC up to 2020. In addition to the above milestones, the institute has been bestowed with "A" grade by TCS and is ranked "A" by Govt. of AP knowledge mission also. The college has been selected by MHRD for implementation of TEQIP-II under S.C.-1.2.

Officer on Special Duty (OSD)  
JNTUK Kakinada

**Sri N. S. Sathya Saibaba**  
Director IT, Govt. of AP &  
Scientist NIC, Govt. of India

## About the Aadhaar Enabled Biometric Attendance System

Aadhaar enabled Biometric Attendance System, a well conceived initiative of the Govt. of India in tandem with Andhra Pradesh, works on a cloud based software jointly operated by NIC, National Data Centre and UIDAI. The connectivity to devices is established through Wi-Fi/GPRS/LAN with Internet or SIM based GSM on tablets. User's Aadhaar Number is mapped with the given ID and the fingerprint is sent to UIDAI for authentication. The System has built in features like leave management and also allows modification of time slots as required in an organization. The system lends transparency and authenticity to students and employees attendance besides ensuring a disciplined career cultural ambience.
