Dear Sir/Madam,

Greetings from NIRF Team!

As you are aware that **National Institutional Ranking Framework (NIRF)** was launched in 2016 to rank higher education institutions in the country and India Rankings 2016 was announced on April 4, 2016. It created a lot of interest in various stakeholders like academia, industry, government, students, parents and others. The response of the institutions was very good and more than 3500 institutions participated in the ranking exercise. We at NIRF would like to appreciate and thank you for the efforts you have put in to make India Rankings 2016 a success. We appreciate the forbearance with which you worked with us throughout the last year till the time ranks were announced. All of you have put in a great deal of efforts in bringing your institution in the competition by accumulating, analyzing and uploading the required data of your institute. We received your constant support, guidance and feedback which served us in strengthening India Rankings. However, some of the institutions were not able to participate in India Rankings 2016.

We are glad to inform you that we are back with **India Rankings 2017**. We at NIRF would like all the institutions to participate and heat up the competition in India Rankings 2017. We cordially invite you all to be a part of INDIA RANKINGS 2017. The registration for India Rankings 2017 has already started on September 1, 2016. For details please visit our website [www.nirfindia.org](http://www.nirfindia.org).

Let's begin making a legacy for India Rankings which we all set out with India Rankings 2016.

Looking ahead for your active participation in India Rankings 2017.

Regards,  
Team NIRF
