

Digital India in Global IT Spectrum

"Innovate, Integrate and Transform"

The Conference is organized by Computer Society of India (CSI), Visakhapatnam Chapter, in association with Visakhapatnam Steel Plant, RINL. As India is marching digitally ahead and Visakhapatnam is identified to be developed as a smart city and IT Hub of Andhra Pradesh, CSI, Vizag is organizing this conference to bring together researchers, engineers, developers and practitioners from academia, industry, government establishments, NGOs & MNCs to disseminate their knowledge, share their experiences and exchange ideas in latest developments in Information and Communication Technology to "Innovate, Integrate and Transform" into a Digital India with a Global IT perspective.

Invitation is extended to authors to submit papers reflecting original research work and practical experiences in the focus areas of the conference. We cordially invite the CEOs/CIOs, IT Professionals, IT end-users, Academicians, Researchers, Students and members of CSI to attend this conference as delegates. Software firms, Industries and business houses are invited to participate in the conference, present and exhibit their products and services.

Be a Learner. The conference is a confluence of luminaries from Industry and Academia with plethora of knowledge and experience. Just infuse yourself with the shower of knowledge of the latest in the ICT field.

Be a Presenter. Submit authentic research papers on latest trends in IT and present to the august gathering. Selected papers will be published in the Conference Souvenir.

Be a Networker. The who's who of the IT turf of the region and beyond will be present in the conference. Find where the grass is greener.

Be a Partner. Promote your brand, showcase your products and services, join hands with CSI for a good cause.

Be an Explorer. Plunge in the pristine beauty of Vizag where the hills befriend the sea and the sun soaked beaches are just apt to have a deserving break for you and your family.

The future starts today, join the future...
