

About IRF

IRAJ Research Forum (IRF) is the world's Fastest Growing Non-Profit Organization and professional association dedicated to Promote and Encourage the Latest Advancement in Science, Engineering and Technology for the benefit of our Society through highly cited publications, conferences, seminars and other professional, educational activities. The IIER provides a Unique Platform for Scientists, Doctors, Engineers, Corporate, Management Professionals and Students/Scholars across the globe to Communicate and Learn.

Objectives

- ▶ To Globalize the education for Research scholars from different regions and communicate with each other through a common platform.
- ▶ To Publish Journals in different areas of Research for sharing their research work.
- ▶ To Organizing Conferences (National/International) for providing common platform so that researchers can gain knowledge in their area of interest by interacting with the experts.
- ▶ To Organize Workshops/Seminars for up gradation and awareness of latest technologies.
- ▶ To Help students, faculty and researchers in Engineering, Social Sciences, Management, Pharmaceutical and Medical Sciences to enhance their knowledge in different areas of research.
- ▶ To cooperate with institutions of higher learning in any part of the country having objectives similar to those of the society.

CHIEF PATRON

Dr. Gangineni Venkateswara Rao

Secretary & Correspondent, G.V.R & S Group

PATRON

Dr. B.S.Srikanth Chowdary,

Director, G.V.R & S College of Engineering & Technology

CONVENER

Dr. P.Harikrishna Prasad

Principal, G.V.R & S College of Engineering & Technology

CO CONVENER

Mr. Abhisek Mitra

Asst. Secretary, IRF, South Asia Chapter

Mr. M.Markandeyulu

Asst. Professor, CSE, G.V.R & S College of Engineering & Technology

INTERNATIONAL ORGANIZING COMMITTEE

Mr. A. Dash, Managing Editor, The IIER
Mrs. Supriya Mohapatra, Associate Editor, The IIER
Prof. Sarma Vangala, CEO Metastrategy, Inc. Canada
Prof. Hsien-Chen, Ko, Professor, Ins
Prof. Negin Maftouni, Professor, Alzahra University, Tehran, Iran
Prof. Y. Srinivasulu - HOD,ECE, G.V.R & S CET
Prof. A. Hanumat Prasad - HOD, CSE, G.V.R & S CET
Prof. RSS.Raju - HOD MECH, G.V.R & S CET
Mr. P. Prasad - HOD Civil, G.V.R & S CET
Mr. N. Sai Pavan Kumar - HOD EEE, G.V.R & S CET
Mr. T. Vasantharao - HOD MBA, G.V.R & S CET
Mr. R. Chandramouli - HOD BS&H, G.V.R & S CET

INTERNATIONAL TECHNICAL COMMITTEE

Prof. Sarma Vangala,
CEO Metastrategy, Inc. Canada
Prof. Hsien-Chen, Ko, Professor, Ins
Prof. Negin Maftouni, Professor,
Alzahra University, Tehran, Iran
Dr. D.Anjaneyulu-USA
Dr. S.Srinivas-UK
Dr. K.ShankarBabu-DUBAI
Dr. D.Siva Srinivasu-IIT MADRAS
Dr. JVR.Murthy-JNTUK
Dr. D. Rajya Lakshmi-JNTUK
Dr. ASN.Chakravarthy-JNTUK
Dr. Ch.Rupa-VRSEC,Vijayawada
Dr. A.Srinivas Reddy-JNTUH

ICSTEM17

INTERNATIONAL CONFERENCE

7TH & 8TH APRIL 2017

**International Conference on
SCIENCE, TECHNOLOGY
ENGINEERING & MANAGEMENT**

Organized by

GVR&S

College of Engineering & Technology

Approved by AICTE | Affiliated to JNTU Kakinada

In Association With

IRF IRAJ
Research
Forum

ABOUT THE CONFERENCE (ICSTEM – 2017)

The aim of the International Conference is to accumulate and exchange innovative ideas, latest knowledge and unique experiences for the benefits of researchers, industrialists, academicians and other participants. In the context of present development in all the fields of Engineering and Management it has become the need of the hour to update one's knowledge and adopt to the changing environment.

In the era of globalization and privatization various issuers in the field of engineering arises resulting in integration of systems functionalities and business operations. This international conference focuses upon Recent Innovations in Engineering Science and Technology. It will be a combined extravaganza with research views to present and experience the upcoming and exotic trends in the fields of engineering and technology. All the aspirants will be benefitted with the feast of evolving and promising ideas and concepts.

The prime goal of the organizers is to provide a common platform for intelligentsia and potential researchers to share their views with learned audience. We do hope that active involvement of most prominent speakers and delegates and their innovative ideas will create an exciting atmosphere for Recent Innovations in Science, Engineering and Technology & Management.

About GVR&S College of Engineering & Technology

GVR&S College of Engineering and Technology was established in the year 2007 under the aegis of GVR&S Educational society whose members have had consummate experience in the field of Education.

GVR&S-CET has completed 10-Years – with a deep sense of satisfaction and pride over its contributions, achievements and recognition received.

At G.V.R&S College of Engineering and Technology we believe in “**Fueling the quest for knowledge**”. In doing so, our commitments are in ensuring individual professional success which culminates in benefiting the society.

Creating a vast state-of-the-art academic infrastructure, putting together best of teaching talent, equipping with every required learning aid ensures that students at GVR&S get the best in academics. Sporting, cultural and extra-curricular facilities are put in place in order so that the students enjoy their campus life.

INDEXED & SUPPORTED BY

- Each Paper will be assigned Digital Object Identifier (DOI) from Cross Ref.
- The proceeding shall be submitted to CNKI, Google Scholar, DRJI, DOAJ, CiteseerX etc. for Indexing
- The Printed Proceedings will be published with ISBN Numbers.
- The Proceeding will be archived in World Research Library i.e. www.worldresearchlibrary.org
- One Excellent Paper will be selected from each oral session.
- All the Selected Papers will be Published in Journals after Peer Review Process and Assessment.
- All Conference Photos and special moments will be published in www.conferencegallery.com

www.gvrand.com

CALL FOR PAPERS

Original Contributions are solicited on topics covered under broad areas such as (but not limited to).

- High Voltage Engineering
- Power Quality Issues and Solution & smart grid
- Green and Renewable energy technology
- Digital Image Processing & Mobile Computing
- Electrical Machines and Adjustable speed Drives
- Internet of Things & Data Science
- Soft Computing Applications in Power Systems
- Optimization in Power System Modeling & Control
- Optimization techniques in Electrical Systems
- Soft Computing in Efficient Energy Utilization and Energy Auditing
- Soft Computing Power Electronics Controllers for Power Systems
- Optimization techniques in Power Converters and Modeling
- Diagnosis and sensing systems • Robotics & Massive MIMO System
- Embedded Control of Converters and Drives
- PMBLDC Drives and SRM Drives • Signal/Image and Video processing
- Biomedical Instrumentation • Pattern Recognition
- VLSI/Embedded Systems • Nano Technology and MEMS
- Nanoelectronics/Devices • Photonic/Opto-Electronic Structures/Devices
- Digital Communications • Microprocessor based Technologies
- Grid and Cloud computing • DNA and mobile computing
- High throughput Computing • Artificial Intelligence and Expert Systems
- Automated Software Engineering • Bioinformatics and Scientific Computing • Computer Architecture and Embedded Systems
- Computer Graphics & Virtual Reality
- Network Security & Cryptography
- Computer-aided Design /Manufacturing
- Data Compression, Data Encryption Data Mining
- Digital Signal Processing and Wireless sensor network
- Distributed Systems • Watermarking
- Information Retrieval and Multimedia Application
- Solar System • Software Engineering & CASE • Cognitive Science
- Business communication • Business Mathematics & Statistics
- E-Business Technologies • Engineering Management
- Enterprise Resource Planning • Entrepreneurship Engineering
- Financial and Management Accounting • Financial Management
- Human Resource Management • Marketing Management
- Production Management • Retail Management • Social Science
- Innovative Research and Development
- Theory and Applications in Engineering
- Knowledge Engineering and Management • Service Engineering
- Social Systems Engineering, Technologies and Design
- Cognitive Engineering and Human-Systems Integration
- Applied Sciences • Control Theory and Application
- Manufacturing Science and Technology

IMPORTANT DATES

Details	Last Date
Abstract Submission	21 st March, 2017
Notification of Acceptance	22 nd March, 2017
Final Author's Registration	24 th March, 2017

REGISTRATION FEES

Category	International	Indian
Industrialist/ Practitioners/ Academician	\$ 200 USD	5000 INR
Students (Ph.D/Masters)	\$ 180 USD	4,500 INR
Students (Bachelors)	\$ 150 USD	2,500 INR
Participants/ Listeners	\$ 80 USD	1,500 INR

CONTACT PERSONS

Mr. M.Markandeyulu

Asst.Professor, CSE, - GVR & S College of Engineering & Technology
