INVITATION

A Two Day International Conference on Science, Technology, Engineering, Management-2017

To,

The Principal / Director / Head of the Department,

Sub: A Two Day International Conference on “Science,
Technology, Engineering, Management-2017”

We are glad to inform you that the GVR&S College of Engineering and Technology organizing a Two Day International Conference on “Science, Technology, Engineering, Management on 7th & 8th April 2017.

This conference is to provide a platform to acquaint, improve, update and plan to do research in the area of engineering, science and management. It broadly encompasses the entire research process from problem definition to report writing and publishing a research paper in the relevant field.

You are requested to kindly circulate this brochure among the faculty as well as research scholars of your college suggesting them to attend this unique program.

We look forward to your whole hearted cooperation in making this conference a grand success.

**DR. P. HARIKRISHNAPRASAD
CONVENER**
