SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to the residents in India. The list of courses which are being offered is available on [www.swayam.gov.in](http://www.swayam.gov.in).

As per the MHRD all the Principals and Heads of the departments are requested to visit the website and encourage students to enroll for the courses. All the faculty members are instructed to use the SWAYAM courses during their own teaching process to improve the quality of learning.

All the Principals are requested to encourage talented faculty members to place their courses on SWAYAM. Such proposals may be sent to the National Coordinator for approval and for providing funding to prepare the courses.

The SWAYAM PRABHA DTH Channels shall cover: Higher Education: Curriculum-based course contents at post-graduate and under-graduate level covering diverse disciplines. All courses would be certification-ready in their detailed offering through SWAYAM, the platform being developed for offering MOOCs courses. As per the MHRD all the Colleges are instructed to buy a DD Free Dish immediately from the market and configure these channels in their e-class rooms first; and later install in as many class-rooms as possible.
