

## THEME OF THE INNOVATION FAIR

Innovation Fair is the unique initiative of the Directorate - Design Innovation Centre (DIC), JNTUK in association with MHRD, New Delhi to recognize and reward grassroots innovations and foster a supportive ecosystem. DIC is organizing one day exhibition of innovative and creative products/devices to promote the spirit of innovation. It invites innovators from various colleges and organizations to showcase their out-of-the-box ideas, inventions, creations and working prototypes in the exhibition on the day of innovation fair.

### VENUE

Innovation Research Centre, JNTUK

### TIMINGS

From 10.00 AM to 4.30 PM  
on 7<sup>th</sup> October 2017

Participants can register for the Innovation Fair by submitting the Registration Form along with the payment of Rs. 300/- per application in the form of DD drawn in favor of "The Chief Coordinator, Innovation Fair" payable at SBI, Kakinada, AP.

The screening committee will scrutinize the applications and select the participants for the Innovation fair. The participants shall have to get their own specially required tools, materials, computers, etc on the day of fair.

All the participants shall report at 8AM on the day of Innovation Fair and get ready to display and demonstrate their prototypes/products from 10 AM onwards to the visitors and the panel of judges. The participants may be provided with lunch and refreshments.

## BENEFITS OF PARTICIPATION

- A few of the best innovations may be provided with technical guidance for further improvement of the prototypes.
- Financial support may be granted out of the DIC funding for the deserving cases.
- Patent guidance may also be extended.
- Best innovative prototypes/products may get an opportunity to get displayed forever in the Innovation Research Building, JNTUK to motivate the others. Such products have the privilege of forwarding them to the National level and international level innovation exhibitions.
- All the participants will receive a certificate on the day of the Innovation fair.
- There is also a rewarding system for the participants. Top three innovations will be rewarded with the cash prize and the appreciation certificate as detailed below :

- **1<sup>st</sup> Prize** – Rs. 5000/-
- **2<sup>nd</sup> Prize** – Rs. 3000/-
- **3<sup>rd</sup> Prize** – Rs. 2000/-

## ELIGIBILITY FOR PARTICIPATION

Anybody can participate irrespective of the field of Engineering/Science. All the branches of Engineering, viz., CSE, IT, EEE, ECE, EIE, ME, CE, AE, PE, PCE, MME, etc., are eligible to participate. The participation may either be in the form of an individual or a group comprising both faculty and students. There is no limit on the number of members of a group. Anybody can send any number of applications.
