JNTU KAKINADA BANS PLASTIC USAGE

DC CORRESPONDENT
KAKINADA, JUNE 5

Jawaharlal Nehru Technological University vice-chancellor S. Ramakrishna Rao said use of plastic would be banned across the university.

Participating as a chief guest on the occasion of World Environment Day on Tuesday in a programme organised by AP Pollution Control Board and Darithri Rakshitha Samithi, Mr Ramakrishna Rao said that everyone, taking up the responsibility to protect the environment, should stop using plastic covers and plastic goods. He planted a sapling in the university premises and suggested that people should gift plants to relatives and friends while greeting them on various occasions. He said that everyone should become the lovers of nature.

Dr Umar Alisha Trust members organised a rally from Ramakrishna Nagar to Boat Club via Sarpavaram Junction. The State Bank Of India Regional Manger D. Raja Rammohana Rao, Trust Coordinator Peruri Suribabu, and others participated.

Andhra Pradesh National Green Corps took out a procession from PRG Boys High School to Balaji Cheruvu.
