ABOUT JNTUK

Jawaharlal Nehru Technological University Kakinada (JNTUK), the perennial source of academic excellence, has been setting high standards in education by making the students technologically superior and ethically stronger for the past 70 years. JNTUK is one of the largest technological universities of Asia spreading across the eight districts of state of Andhra Pradesh, India. JNTUK imparts futuristic technical education and instills high patterns of discipline.

ABOUT DESIGN INNOVATION CENTRE

Design Innovation Centre was established in the year 2016 and has the funding of Rs. 10 crores under the MHRD scheme – National Initiative for Design Innovation. Besides the manufacture of certain products as approved by MHRD, the centre also looks after the innovations taking place at the constituent colleges and the affiliated colleges of JNTUK.

JNTUK TECHNO-FAIR

A platform to showcase the products,
ideas and creations of
students / faculty / industry personnel

on
21st & 22nd December, 2018

Under
National Initiative for Design Innovation
Ministry of Human Resource Development
New Delhi

Organized by

Design Innovation Centre
JNTUK, Kakinada – 533003
Andhra Pradesh, India

THEME OF THE TECHNO-FAIR

Techno-Fair is the unique initiative of Design Innovation Centre (DIC), JNTUK in association with MHRD, New Delhi to recognize and reward grassroot innovations and foster a supportive ecosystem. DIC is organizing a two-day exhibition of innovative and creative products/devices to promote the spirit of innovation. It invites innovators from various colleges and organizations to showcase their out-of-the-box ideas, inventions, creations and working prototypes in the exhibition.

EXHIBITION DATES

21st & 22nd December, 2018

The participants shall register for Techno-Fair on 21st December, 2018 of the event by submitting Registration Form along with the payment of Rs. 300/- per application in the form of DD drawn in favor of "The Registrar, JNTUK", payable at SBI, Kakinada, AP. The participants can also have the spot payment.

VENUE

JNTUK, Kakinada

TIMINGS

From 10.00 AM to 4.30 PM
on 21st & 22nd December, 2018

All the participants shall report at 9 AM on 21st December, 2018 and get ready to display and demonstrate their prototypes/products from 10 AM onwards to the visitors and the panel of judges. All the participants shall attend the programme on both days i.e. on 21st & 22nd December, 2018. However, the participants whose innovations are selected to the Jnanabheri Programme shall also have to present their innovations. The participants may be provided with lunch and dinner. Accommodation will be provided based on their request through e-mail.

BENEFITS OF PARTICIPATION

- There is a rewarding system for the participants. Top six innovations will be rewarded with the cash prize as detailed below along with an appreciation certificate.

	Innovative Idea	Innovative Prototype
1 st Prize	Rs. 10,000/-	Rs. 10,000/-
2 nd Prize	Rs. 7,000/-	Rs. 7,000/-
3 rd Prize	Rs. 5,000/-	Rs. 5,000/-

The prizes will be given at the University Decennial celebrations on 28th December, 2018 at JNTUK.

- Nearly 60 best innovations will be forwarded to the Jnanabheri Programme being held at JNTUK.
- In addition to the prizes mentioned, more prizes will also be awarded at the Jnanabheri Programme.
- A few of the best innovations will be provided with technical guidance for further improvement of the prototypes.
- Financial support may be granted out of the DIC funding for the deserving cases.
- Patent guidance will also be extended.
- Best innovative prototypes/products will get an opportunity to get displayed forever in the Innovation Research Building, JNTUK to motivate the others. Such products have the privilege of forwarding them to the National level and international level innovation exhibitions.
- All the participants will receive a certificate on the last day of the Techno-Fair.

ELIGIBILITY FOR PARTICIPATION

Anybody can participate irrespective of the field of Engineering. All the branches of Engineering, viz., CSE, IT, EEE, ECE, EIE, ME, CE, AE, PE, PCE, MME, etc., are eligible to participate. The participation may either be in the form of an individual or a group comprising both faculty and students. There is no limit on the number of members of a group. Anybody can send any number of applications.
