Lr.No.120/APSWC/2019 dt. 07.05.2019

Sir/Madam,

Sub: Andhra Pradesh Women's Commission – Request to send copies of material available on women-related issues in the form of theses, papers, booklets, special studies, news-letters, brochures etc., to have them in library/Data Bank of APSCW – Reg.

I would like to inform you that APSWC ACT 1998 lays it down to maintain a comprehensive Data Bank relating to the social, economic and political conditions of women in A.P. including comparative study and updating of information from time to time to make use of such data in actions for vindication of the rights of women.

As universities are undertaking promotional and educational research studies on women in all spheres to identify the factors responsible for impeding their advancement, APSCW requests to send the copies of theses, papers, booklets, news-letters, special studies and brochures etc., available at present and also in future with universities and women-study-centers to maintain a Data Bank/Library in the office of APSCW to make use of such authentic information while suggesting certain measures for fair treatment of women and for setting right lacunae, inadequancies or short-comings in the laws in force which affect the constitutional rights of women.

Hence, the University authority is requested to strengthen the hands of APSWC committed to the cause of women and for protection, upliftment and promotion of common interests of women.

It is further informed that the Director, APSWC may be contacted for any information in this regard. We expect positive action from your end.

Thanking you,
