To
The Registrar
JNTUK Kakinada.

Respected Sir,

Sub: World Space Week Celebrations on 4th, 5th & 6th October-2016 at Kakinada- Request for propagate
Science event intimation to all Educational Institutions - Reg

Satish Dhawan Space Centre SHAR is the only **Space Port of India** from where the Satellite Launch Vehicles of India are being launched. Sriharikota is located at Sri Potti Sreeramulu Nellore District, Andhra Pradesh and is one of the leading operational Centre of Indian Space Research Organisation (ISRO), which is working with an aim of dissemination the fruits of Space Applications to the Common man in terms of Education, Remote sensing, Disaster management, Communication and so on.

In 1999, UNO declared that every year October 4th to 10th to be celebrated as Space Week all over the World especially the countries enlighten to research on the utility of Space for peace. SDSC SHAR also celebrating the World Space Week every year to propagate the benefits of Indian Space Programme to the majority of Scientific, Academic & Common public at various locations in the Andhra Pradesh State.

This Scientific Event comprising Exhibition of ISRO Rocketry & Major mile stones achieved and future missions, organizing educative and awareness programmes like conducting Space quiz, poster & essay writing competition, running space utility videos, science awareness rallies etc., to stimulate the minds of younger generation towards Space science.

Towards this, especially this year, it is planned to celebrate the Scientific event at Kakinada from **4th to 6th October-2016** for 3 days for the benefit of rural & urban community of the both East & West Godavari districts at the renowned Educational Institute named **ADITYA EDUCATIONAL**

INSTITUTION, Surampalem, which is located at 28 kms far from East Godavari District Head Quarters.

It gives us an immense pleasure to invite you with your kind permission to add glitter to the Scientific function. With your kind consent and august presence, the educative cum awareness program of World Space Week will outreach deep into the public and I humbly request you to spare your valuable time to attend the Scientific Function to enthuse younger minds to participate actively in World Space week program.

For Organising the Event fruitful and hassle free, your kind co-operation is highly solicited for the following:

1. Propagate this Scientific Event information to all the JNTU affiliate Educational Institutes, through official circulars, in and around East & West Godavari Districts and Visakhapatnam Districts.

SDSC SHAR management is identified Dr. A Ramalingeswara Rao, Sr. Trained Graduate Teacher, as co-ordinator, whose contact phone is 9441147475 & email id : ainapurapurrao@gmail.com for further correspondence in this regards. (Alternate Co-ordinator : Shri VRKS Vara Prasad, Dy. Manager, Mobile : 9491239679 & email id : prasad.mhs@gmail.com).

Once again humbly requesting you for good co-operation for smooth functioning of this International Science Event.

Anticipating your appreciable action in this regards,

R Venkatraman
Deputy Director
Chairman, Organizing Committee, World Space Week 2016
