

Greetings from Special Representative office for North America, Govt of Andhra Pradesh

We would like to invite applicants from the under-graduate program to participate in this internship opportunity from colleges under your university. We request you to circulate the same to the colleges under your university and extend full support in this noble initiative to enhance the communication skills of under graduate students and also support the government school teachers with technology.

The poster features a header with the Government of Andhra Pradesh logo and the text "We Are Hiring!". Below this, it states "Be a part of the flourishing initiative by GOVERNMENT OF ANDHRA PRADESH" and "AP JANMABHOOMI". A detailed description of the initiative follows, mentioning the APSRNA office. The "DUTIES OF THE INTERN" section lists four tasks: acting as a communication channel, providing regular updates, conducting field observations, and demonstrating public aspirations. The "REQUIREMENTS" section specifies a three-month commitment and fluency in Telugu and English. Contact information for the internship is provided at the bottom, along with social media handles.

*We Are Hiring!*

Be a part of the flourishing initiative by  
GOVERNMENT OF ANDHRA PRADESH
