Sir/Madam,

Sub: JNTUK-DAP- Anti-Drug awareness Programs-regd.

In view of the rampant reports of drugs abuse, contraband and their devastating effects, educational institutions are reminded of their social responsibility over the student community. We need to focus on the damaging perspective of the heinous menace of drug addiction. In this connection, I am, by direction of the Hon'ble Vice-Chancellor, request you to conduct "*Anti-Drug Awareness Programs*" in our affiliated colleges to bring the issue to the full aware of the students regarding the ill-effects of drugs consumption. It is also informed to keep a strict vigil on the students as to keep them away from drugs. All the affiliated colleges are directed to convey the measures taken to the University authorities periodically. Any dubious information in this regard may instantly be brought to the police surveillance.

Hence, all the Principals are directed to launch *Anti-Drug Awareness Programs* and send the compliance report latest by 31st July 2017.
