ABOUT JNTUK

Jawaharlal Nehru Technological University Kakinada (JNTUK), the perennial source of academic excellence, has been setting high standards in education by making the students technologically superior and ethically stronger for the past 70 years. JNTUK is one of the largest technological universities of Asia spreading across the eight districts of state of Andhra Pradesh, India. JNTUK imparts futuristic technical education and instills high patterns of discipline.

ABOUT DIRECTORATE - DESIGN INNOVATION CENTRE

This Directorate was established in the year 2016 and has the funding of Rs. 10 crores under the MHRD scheme – National Initiative for Design Innovation. Besides the manufacture of certain products as approved by MHRD, the directorate also looks after the innovations taking place at the constituent colleges and the affiliated colleges of JNTUK.

INNOVATION FAIR

- A platform to showcase the products,
ideas and creations of
students / faculty / industry personnel

on
7th October 2017
