JNTUK MoU with TCS aims to promote creativity

DC CORRESPONDENT
KAKINADA, APRIL 2

Jawaharlal Nehru Technological University Kakinada (JNTUK) and its affiliated colleges had a MoU with TCS to promote creativity and socially useful projects for the betterment of the society by providing opportunities to students to exhibit their hidden talents. The best student of 2016-17 batch was presented to Chodavarapu V. Naga Kalyani from the

Department of Petroleum Engineering in JNTUK. The parents of Kalyani received the award comprising of a gold medal, a certificate and cash prize. Students from University College of Engineering Kakinada also received the TCS best student project award. Gutta Uday Kumar, Rongala Venkata Surya Vivek, Danda Chandramukhi and Marthi Priyanka for the Project entitled Analysis of Log Data using Spark

Streaming in Scala. The project was done by the students from the Department of Computer Science and Engineering, UCEK. The students received a gold medal, a certificate and a cash prize.

The TCS Hyderabad Vice President V. Rajanna presented the awards to the students. He said that the TCS was encouraging the talent pool and students who come up with innovative projects for use to people and society.
