To
The Vice-Chancellor/Registrar,
..... University,
.....

Sir/Madam,

Sub: Andhra Pradesh Women's Commission, Guntur — Request to organize meetings with Women Study Centre/Women Empowerment Centres of all colleges to know the ongoing programmes and discuss future course of action to empower women — Reg.

It is to inform that Andhra Pradesh State Commission for Women, since its inception, has been organizing 'Awareness Programmes' to women/girls on legal issues, social issues through colleges and Universities.

Women Study Centres/Women Empowerment Centres in colleges are also organizing seminars/work-shops/meetings on different social issues hindering women development and empowerment.

By observing the incidents happening now-a-days in print and electronic media, it is felt that the younger generation is to be trained and also equip them with adequate knowledge to cope with the changing situations.

Hence, it is requested to organize a meeting with Women Study Centres/Women Empowerment Centres functioning in Colleges in consultation with the Chairperson of A.P. Women's Commission so as to conduct the programme for the said purpose.

Thanking you, expecting early response,

(Handwritten signature)
