Directorate of Faculty Development

JNTUK, Kakinada -533 003,

Andhra Pradesh, India.

Introduction

Jawaharlal Nehru Technological University Kakinada (JNTUK) is happy to announce a two week summer Faculty Development Programme (FDP) 2019, Phase - II. In order to enhance the teaching skills of affiliated/constituent college teachers.

About JNTUK

Jawaharlal Nehru Technological University Kakinada was established in the year 2008. The University caters to the requirement of Technical education in the state of Andhra Pradesh having one of the oldest College of Engineering Kakinada as Constituent College and 248 Affiliated Engineering Colleges spread through 8 coastal districts.

The University has few thousands of teachers contributing to student development leading to overall growth of the region. University has a responsibility of helping faculty to upgrade concepts in line with the developments worldwide and also enhance teaching methodologies. The subjects which require immediate attention are identified and it is proposed to take up summer course in the prominent subjects identified.

About the Programme

JNTUK Kakinada is proposing to take up Summer Faculty Development Programme with eminent faculty drawn from premium institutions to assist faculty in Constituent / Affiliated Engineering colleges for improving their performance in important subjects to enhance basic concepts with exposure based on OBE in phased manner from 8 semesters of 4 Engineering Faculties (Civil, EEE, ECE, CSE)

The following subjects are identified from the feedback obtained from Constituent and Affiliated Colleges of JNTU Kakinada to take up in Phase-II.

Subjects Being Covered in Phase – II are given below:

Civil	25-05-2019 to 30-05-2019	Water Resource Engineering.
