I submit that JNTU Kakinada is planning to enhance the profile of the organization by improving the Ranking from various international agencies like "Times Higher Education", "QS worlds University ranking". On similar lines the submission of Letter of Intent (LOI) for extension of "National Assessment and Accreditation Council" is in progress.

It is observed that the publications of certain Research Scholars and Post graduate students are not properly giving the details of the Institute where they are working as well as University to which the Institute is affiliated while indexing. In view of this while ranking the University adopting online verification of research publications, in the absence of affiliation details, the University could not take the advantage of the publications to its credit.

Under the circumstances stated above the Principals and Managements of the Constituent Colleges / Permanently / Temporarily affiliated institutes are hereby requested to give necessary instructions to all the faculty taking up publication of the research activity to include "**Jawaharlal Nehru Technological University Kakinada, Kakinada, East Godavari District**". The publications of the faculty applying for ratification as well as research scholars submitting their research work for evaluation will not be entertained if they do not adhere to above guidelines.
