Sub: Internship Programme as part of Experiential Learning – Reg

Sir,

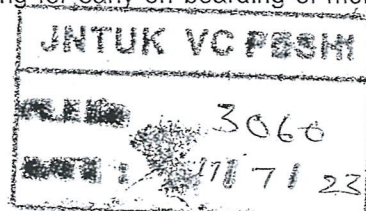

The Ministry of Youth Affairs and Sports (MoYAS), Govt. of India has started the Pilot Project of Student Internships in businesses in collaboration with India SME Forum for Undergraduate and Post-Graduate students in seven states including Andhra Pradesh State. The Internships will equip the youth (YUVA) with cognitive skills through experiential learning in collaboration with India SME Forum on the YUVA Portal with a view to improve their employability and awareness of entrepreneurial skills and opportunities.

The Pilot project is being launched through National Service Scheme (NSS) to invite businesses to provide work experience to undergraduate students through a structured program over the period of 45 days. The Experiential Learning programme will be for two weeks during June-July, 2023 and is open for all colleges/institutions recognised by the UGC, irrespective of their enrolment with NSS.

The businesses that on-board for the program and invite students to avail the opportunity would be given a certificate for their work. Accordingly the department has entered into an MOU with India SME forum to onboard businesses for this initiative.

The pilot project is in line with the National Education Policy 2020 and in consonance with the comprehensive guidelines on curriculum and credit framework for Undergraduate program issued by UGC where every Undergraduate student is encouraged to undertake Summer Internship of 2 to 4 credits for award of Graduate Degree.

As per the directions of the Ministry, the Regional Directorate of NSS, GOI, Hyderabad and the State NSS Office, Govt. of A.P. are writing to the MSME, Industries Officials to provide the good number of opportunities to the youth and also requesting for early on boarding of more Companies/Industries in the YUVAPortal for the benefit of Youth.

The MoYA&S, GOI developed an official portal www.yuva.gov.in about the Experiential Learning Programme. This platform connects the Youth of the country with Ministries, Government and Private Organizations and Academic Institutions aiming to provide them opportunities for young people to participate in social initiatives, gain professional experience through experiential learning, and acquire new skills through various training programmes.

In this regard, you are requested to direct all the Principals of the colleges under your jurisdiction to enroll the maximum number of NSS Volunteers in Yuva Portal to gain the benefit of Experiential Learning Programme, to fulfill the expectations of Ministry of Youth Affairs & Sports, Govt. of India.

Your cooperation in making the Internship is highly appreciated.

Thank you,

With regards

Yours faithfully,

(M. RAMAKRISHNA)
